

How your support helps

For the past 35 years Jacksons Lane has been a thriving hub of creative and cultural enterprise, and we provide performances, classes, courses, creative learning and education opportunities for more than 2,500 people every week.

We are North London's busiest arts centre and we need the help and support of friends like you to continue to provide for the needs of our community.

Thank you for supporting us.

£5 will buy one ticket to our ever-popular Christmas show for a child living below the poverty line in Haringey

£35 provides a one-hour activity session for local people at risk of isolation

£100 will fund an artist to lead an arts and gardening project for a group of under 5s

£240 will subsidise one place as part of Jacksons Lane's Youth Circus for one young person a year

£600 allows an emerging theatre company a week of rehearsal space and production support to develop a brand new show

£1,000 covers the cost of opening on Christmas Day and providing lunch with all the trimmings, transport, entertainment and gifts for 100 elderly people who would otherwise be spending Christmas alone.
