JACKSONS LANE

ARTISTIC

Jacksons Lane is the leading presenter, supporter and producer of contemporary circus in the UK. We nurture artists through artist residencies, mentoring and advice, and by providing theatre space for previews, rehearsals and scratch performances, in addition to premium studio space to devise and rehearse new work. Our recently upgraded 170 seat auditorium hosts a variety of events throughout the year including our own Postcards Festival. As one of the leading venues for the London International Mime Festival we also showcase our other core artistic strand of physical and non-verbal theatre alongside our programme of family performances.

We have strong networks throughout the industry, both nationally and internationally, and we represent Jacksons Lane and the UK circus scene at a variety of industry events across the world. We are passionate about providing a platform at Jacksons Lane to showcase international work, and currently around 40% of our visiting artists come from outside the UK, representing 60 countries including ones as far as Australia and Canada.

As an Arts Council England National Portfolio Organisation we also produce and coproduce our own work, which we tour both in the UK and abroad in order to bring British work to an international audience.

CREATIVE ENGAGEMENT

With its roots as a community centre, Jacksons Lane remains an essential hub for arts and community work in north London. With over 65,000 visitors to our venue each year we work hard to overcome traditional barriers to the arts by collaborating with our community partners and funders to make the arts more accessible. We focus on using the arts to increase confidence, reduce isolation and improve overall wellbeing.

Our comprehensive Creative Learning programme works directly with over 1,000 people across all ages each year and provides creative and wellbeing activities to older people in supported housing schemes, theatre projects that focus on women's safety and a range of activities for young people including JL Circus, a series of workshops and classes teaching circus skills to young people. Our work has continued online throughout the pandemic through the 'Quarantine Sessions' and 'Lockdown Lunch' with great success. Feeling Good is Jacksons Lane's project to help reduce social isolation as a result of the COVID-19 pandemic. We partner isolated and vulnerable people with friendly volunteers, and through regular conversation and creative and wellbeing activities our beneficiaries gain confidence and are able to reconnect to their community.

Since it began 46 years ago, Jacksons Lane has also run an event on Christmas Day, each year inviting socially-isolated older adults to our building and providing them with food, gifts and entertainment. This year, despite the restrictions imposed by the COVID-19 pandemic, we were still able to reach out to 300 older adults across our area through a delivery service of food and gifts while still providing the all important social contact and friendly conversation.

STUDIO HIRES AND PRIVATE EVENTS

At Jacksons Lane we have seven different spaces available to hire including our theatre, five multipurpose studio spaces and a private meeting room. The spaces are hired for a variety of purposes including classes and workshops, rehearsals, performances, and private functions and events.

Studio One (below) is our largest space and is one of the largest rehearsal/event spaces in north London. In this space we host a variety of bookings throughout the year including weddings, corporate away days and rehearsals for large productions.

Our class and course programme is made up of a collection of people who hire our studios at the same time each week. The activities range from children's acting and drama classes to fitness and yoga for adults. Our regular hirers also include a therapy group, a photography group and we even currently have a lightsaber sword fighting group!

Studio hires and events are not only one of the biggest contributors to our core income, but also help us to generate and expand our audiences and visitor reach with many class attendees and tutors also watching performances and becoming involved in other aspects of our work.
